## Tony Ybarra SVP, CHC Supply Trust

Tony Ybarra serves as Senior Vice President, CHC Supply Trust. In this role he manages initiatives to develop and implement comprehensive supply chain management strategies on a company-wide basis and ensures that quality-based initiatives are implemented in order to gain the greatest value from CHC's supply expenditures and resource utilization.

He provides services to owned, managed and consulting clients in the area of supply chain. He also establishes and implements strategies aimed at improving CHC's procurement activities on a consolidated basis by selecting and negotiating agreements for supplies, pharmaceuticals, equipment and services. Tony has over 30 years of materials management experience in the healthcare industry.

Prior to joining CHC in 2007, Tony managed a corporate materials management department that serviced surgical hospitals and surgery centers nationwide. He also has extensive materials management and operational leadership experience working within multi-hospital health systems, large physician groups and individual physician practices. Tony brings to the team an expertise in procurement, negotiation and material controls.

Tony is a graduate of the University of California, Los Angeles. Tony is an active member of the Association for Healthcare Resource & Materials Management (AHRMM) and The Council of Supply Chain Executives. He is a Certified Materials & Resource Professional.
