

David Domingue

SVP of Business Development

David Domingue serves as Senior Vice President of Business Development for CHC. He is responsible for business development and client relationship management.

With more than 20 years of experience in the healthcare industry, David has worked with some of the nation's leading healthcare providers and support organizations. Prior to joining CHC, he served as the Southeast Regional Manager for one of the nation's largest healthcare planning and real estate development firms.

David also spent four years with the country's leading healthcare staffing firm where he was responsible for both physician recruitment and medical staff development planning. In addition, he has worked with some of the foremost healthcare providers in the country, including Baylor Health Care System, to develop and implement specialized marketing initiatives designed to promote services and generate new patient revenue through sports and wellness programming.

David is Board Certified in Healthcare Administration and a Fellow in the American College of Healthcare Executives. He holds a Bachelor of Arts and Master of Science from Mississippi State University where he served as both player and coach for the MSU basketball team.
