

## David Koford

### VP Health Plan Contracting

As Vice President of Health Plan Contracting, David Koford negotiates and manages all health plan contracts and supports hospital physician integration initiatives. Prior to CHC, David was Vice President of Business Support for Cirrus Health where he was responsible for corporate-wide managed care and revenue cycle functions, decision support and recovery audit contractor process management.

David has 25 years of experience in managed care contracting, revenue cycle management, revenue enhancement and operations. He served as Director of Joint Ventures for PacifiCare in Texas-San Antonio, and Director of Network Services for the Methodist Healthcare System-San Antonio. David also held multiple leadership positions with Triad Healthcare, Inc., including Regional Director of Managed Care, overseeing managed care strategy and payer relations for hospitals, ambulatory surgery centers and physician hospital organizations in multiple states.

David is a member of the Healthcare Financial Management Association (HFMA) Managed Care Forum. He is also an HFMA Fellow. David received both his Bachelor of Science and Master of Health Administration from Brigham Young University, Provo, Utah.
