

## Lisette Hudson

### VP of Planning

Lisette Hudson serves as the Vice President of Planning for Community Hospital Corporation. In this role, she manages and conducts market assessments, community health needs assessments and medical staff development plans.

Prior to joining CHC, Lisette served as a Manager on the Account Management team for Broadlane, a Dallas based group-purchasing organization. As Manager, her responsibilities included identifying cost savings initiatives for several acute care hospitals. She also served as the Manager of the Client Analytics and Cost Analysis team at Broadlane where she provided analytical support for Broadlane's clients and sales initiatives. Her unique background helps support both the analytical and customer support needs of CHC hospitals and clients.

Lisette received a Speech Communications degree from Texas A&M University and a Master of Business Administration/Master Healthcare Administration from Texas Woman's University in Dallas. She has served as an Adjunct Professor at LeTourneau University in Longview, teaching online Business and Leadership courses.
