

Rosemary Zapata

Corporate Director of Supply Chain

As Corporate Director of Supply Chain for CHC, Rosemary Zapata is responsible for onboarding and support services. In this role, she supports and coaches new hospital clients through the process of converting to CHC Supply Trust, the supply chain services arm of CHC and CHC Consulting. She brings over 22 years of healthcare operations and management experience to CHC.

Before joining CHC, Rosemary spent three years as Director of Materials Management for Forest Park Medical Center and, most recently, for Methodist Southlake Hospital. Prior to this, she served nine years as Director of Supply Chain Operations for Triad Hospitals Inc. and the Baylor Healthcare System, respectively. Rosemary began her career in healthcare at Carlsbad Medical Center, where she advanced from an Assistant Buyer in Distribution and Receiving to Director of Materials Management.

Rosemary is pursuing her Bachelor of Business Management degree at Amberton University.
