

## Sandy Bailey

Corporate Director of Clinical Informatics/Associate Privacy Officer

As Corporate Director of Clinical Informatics/Associate Privacy Officer, Sandy Bailey is responsible for guiding the informatics programs for CHC and works with facilities to improve clinical system utilization through evaluation and optimization of clinical workflow. She also assists the Privacy Officer with the development, implementation, and oversight of programs to improve protection and reduce overall security risk. Sandy first joined CHC in 2014 as a Chief Nursing Officer and Clinical Informatics Consultant. In 2015 Sandy accepted the opportunity to work with CHC's IT team to develop a Clinical Informatics Department within the corporate office.

With more than 20 years of experience as a healthcare professional, Sandy began her career in healthcare as an Assistant Nurse Manager for CHD Meridian Corporate Health Care. She also spent three years with the Jewish Medical Center East, where she began as an Associate Nurse Manager before being promoted to Emergency Department Manager, and three years as a Unit Manager for Take Care Health – Toyota Logistics Services. Prior to joining CHC, Sandy served as the Chief Operations Officer and Chief Nursing Officer for KyOne Healthcare.

Sandy serves on the Informatics Advisory Committee at CHC. She is a member of the American Nursing Informatics Association (ANIA) and the Kentucky Organized Nurse Leaders (KONL). Sandy completed the Healthcare Accreditation Certification Program (HACP) and is certified in Basic Life Support and Advanced Cardiac Life Support. She holds an Associate Degree in Nursing from Kentucky State University, a Bachelor of Science in Nursing from Indiana Wesleyan University-Lexington, and a Master of Science in Nursing/Master of Business Administration from Indiana Wesleyan University-Marion.
