

Melanie Newcomb

Vice President, Supply Chain Operations and
GPO Implementation

Melanie Newcomb serves as Vice President, Supply Chain Operations and GPO Implementation for CHC Supply Trust. In this role, she leads the implementation of new member onboarding. She also directs analytics and reporting with an emphasis on reliability, dependability and compliance to the HealthTrust GPO.

Melanie brings over 20 years of Materials Management and Supply Chain experience from manufacturing and healthcare to CHC. She will focus primarily on client onboarding and retention.

Before joining CHC, Melanie was with Hutchinson Health in Hutchinson, Minn. She spent more than 13 years serving as the Supply Chain and Organizational Projects Manager, where she worked with CHC Supply Trust as a client.

Melanie has a Bachelor of Science degree from St. Cloud State University, St. Cloud, Minn., is a certified Lean Healthcare Advisor through the Pyzdek Institute, and has completed several management and performance excellence training programs.
