

Chad Smith

Corporate Director, Supply Chain Account Management

Chad Smith serves as Corporate Director, Supply Chain Account Management for CHC Supply Trust. In this role, he supports the organization's efforts to create and manage a structure that is membership focused and centrally led. His key responsibilities include onboarding new facilities and supporting CHC Supply Trust's growing customer base.

Chad has nine years of supply chain experience, including six years as a Director of Materials Management and Supply Chain Management in an LTACH environment at Allegiance and Select Specialty. Most recently, Chad worked with HCA affiliates, Medical City Las Colinas and Medical City Lewisville as a Director of Supply Chain Operations providing implementation of new policies, procedures and system upgrades while developing and implementing facility strategic goals.

He holds a Master of Business and Bachelor of Science degrees from the University of Phoenix in Phoenix, AZ.
